*Nick is here to minister to all who have need in our parishes. He is keen to be told if someone has moved in and to have an opportunity to visit newcomers. Holy Communion can be arranged for the housebound or those who are sick. Nick tries to take Thursday as a rest day each week, so he kindly suggests that you only contact him on a Thursday in matters of urgency.*

As some of you recall Rusper once had a former seafaring parson as Rector. Jim Waters' legacy to this parish has been in my mind a lot lately, because during lockdown I have been

using his personal chalice and paten, which he bequeathed to the parish on his retirement . It is awe inspiring to consider that these sacred vessels probably accompanied him throughout WW2, that sailors from the doomed battlecruiser

HMS Hood on which he was chaplain may have received the sacrament from this very chalice. Jim had transferred to another ship before the Bismarck sent all but three of the Hood's crew to their watery grave, and he subsequently witnessed the sinking of the Bismarck itself.

In the scriptures the sea is synonymous with chaos, the depths are to be feared and in the creation myths of the Middle East were even personified as wild, warring monsters.

Against this background the Gospels tell of a storm on the Sea of Galilee, of Jesus sleeping through a tempest or actually walking across the waves. For the disciples these experiences leave questions 'Who is this Jesus? How can we relate to him?' Such are questions that invite disciples today to get on board, stay on board and, sustained by the sacraments, continue their journey, faithful, even in the midst of fear.

## **RUSPER CHRONICLE**

THE NEXT MEETING WILL BE ON Thursday 9<sup>th</sup> SEPTEMBER, 7-9pm in the small hall, Rusper Village Hall. We have lots of interesting things to talk about on our first meeting back in the hall for 18 months. So we hope everyone will be able to come. Our meetings are always friendly and informal as we discover together the history of Rusper.

Does anyone remember anything about a Model Railway Club in Rusper in the 1950s? My son picked up an old copy of a model railways magazine dated 1954 on holiday in the Isle of Wight recently and was surprised to see meetings of the Rusper Model Railway Club listed. According to their web site the layout was started in the 1930s by Christopher Morgan in his garden. The imaginary route went from Rusper to Horley with a large number of stations in between. In the 50s Mr Morgan went to live in Switzerland and gave his layout to the club – which still exists under the name of Rusper but based in Bromley! It would be interesting to know more, where did Mr Morgan live and did anyone see the layout? Apparently it could be viewed from a public footpath alongside his garden.

## ART IN THE CHURCHYARD

St Mary Magdalene's churchyard sparkled both with rain and in anticipation of welcoming Rusper Art Group back after an absence of five years. Paintings of all shapes and sizes were propped up against old tombstones, providing a warm splash of colour on a somewhat grey Summer's Day. They enticed you into the Church itself, where you were greeted with a bountiful array of work, displayed on old wooden pews. Visitors browsed through paintings, pottery and more, maybe stopping to pick up an origami box and chat, simultaneously enjoying a slice of homemade cake, glad to be able to mingle after months of restricted socialising. Thank you to everyone that dropped in and what a good day it was, resulting in the Art Group making a donation of over £200 to Rusper Church Restoration Fund.

And if you didn't manage a visit on this occasion, or simply want to see more Art, here is a reminder of the dates for our Autumn exhibition. This will be held in Rusper Village Hall, over the weekend of **Saturday 30<sup>th</sup> October and Sunday 31<sup>st</sup> October and will celebrate our 50<sup>th</sup> Annual Art Exhibition** showcasing a bumper array of new work.

### **Responses to planning applications**

DC/21/1427 Land North of Horsham: Would like the amount of electric vehicle charging units to be increased, and waits for the planting scheme to come forward.

DC/21/1219 Southern Loop Road, Land North of Horsham: No comments except it presumes it will cope with the additional loading for electric vehicles.

DC/21/0673 Bluebell Cottage, Prestwood Lane: No comment.

DC/21/1029 18 Gardeners Green: No objection

DC/21/0975 Land south of The Mount Farm: If HDC is minded to approve this application, Rusper Parish Council would like to see improved landscaping around this development to replace what was removed.

DC/21/1174 11 Steeres Hill: Before Rusper Parish Council can comment on this application, they request the following information:-

- How are the applicants proposing to store and remove waste.
- Can the location of the access track be clarified against what is claimed by the occupants of Merrilees.

MO/2020/2269 Land east of Swires Farm – withdrawn

DC/21/0546 Southcroft, Rusper Road - permitted

### Council – 27<sup>th</sup> July 2021

#### **Reports from other Authorities:**

- The Local Plan is being delayed because the Government changed the National Planning Policy Framework recently and this

has led to more work being needed to the Plan. HDC's extraordinary meeting on 28<sup>th</sup> July to vote on the Local Plan will be postponed until this work has been completed.

- Cllr Hogben is receiving around a hundred emails every day regarding the Land West of Ifield site. Cllr Hogben explained a little about HDC's reasons for including so many sites in the Plan.

HDC councillors were asked if they think the housing numbers will be revisited due to the work needed by the National Planning Policy Framework. Cllr Hogben thinks if anything, more houses will need to be added as the Plan may need to be for a longer period.

Cllr Sallows reiterated that HDC should stand by the housing numbers in its current plan as the Government calculation is guidance only.

**Climate Emergency:** It was acknowledged that there is currently a climate emergency, and it was agreed that all decisions made within the meeting will have consideration to this. Cllr Sallows explained that there is a Horsham District Climate Change group which is sponsored by HDC, and part of their initiative is to keep the climate change emergency at the fore front of council decisions.

**Pot holes:** RPC to write to WSCC to express dissatisfaction with their use of resources throughout the parish, using the evidence collected by the Roads and Transport Working Group as well as the videos provided by Cllr Gatt.

**Land West of Ifield:** There was a meeting with RPC and Homes England on 13<sup>th</sup> July which was not satisfactory to councillors as there was no clear commitment from Homes England and questions were not answered in a meaningful way. Homes England had asked RPC to take on various assets if the site is developed. RPC declined to consider this unless a full planning application is approved.

**Glebe Field:** Members decided not to consider proposing an affordable housing scheme to the landowner to secure additional affordable homes specifically for people with ties to Rusper.

**West Sussex Transport Plan:** There is a new consultation which closes on 8<sup>th</sup> October. It was agreed to contact the Bridleways Committee to ask for their views for a response (which Cllr Hussey will do), and to publicise the consultation and ask for members of the public to feedback to the Parish Council if there is anything that they would like included.

**Police:** Cllrs Hussey and Hanstad-Pilcher met with the Police and Crime Commissioner to discuss the various issues affecting Rusper.

**Gatwick:** It was agreed to support CAGNE's letter to MP Jeremy Quin regarding Gatwick Airport's Future Airspace Strategy Implementation South. The Clerk will send this.

**Three year plan:** Councillors discussed their plans for the future, and would like to focus on the following:-

- Traffic calming and road improvements
- Recreation Ground improvements
- Rusper Village Hall renovations

Hi there,

We are delighted to be able to open up our services again with a growing confidence now that so many people have been vaccinated. We exercised our social muscles last week by getting together for our coffee morning at The Star Inn, Rusper.

Kosta and his staff extended their hospitality again and we all sat comfortably under the gazebo in the shade as it was finally sunny after so many bouts of rain. As we had missed so many birthdays over the last 18 months we celebrated both past and current birthdays with a lovely birthday cake without of course, blowing out any candles! The new normal.

We had 19 local people attending enjoying chat and laughter. If you would like to join us you will be made very welcome. We will meet again at The Star Inn, Rusper on Tuesday 14<sup>th</sup> September at 11am. If getting there is an issue please give me a ring and we can organise a lift for you Tel: 07591 049042. Please leave a message if I am unable to answer immediately and I will get back to you as soon as I can.

I will keep you informed about more opportunities to meet for a coffee when I have confirmed the details.

Please remember that if you would like some advice we have an Information and Advice Team who can help with queries regarding:
