HISTORIC CHURCHES RIDE & STRIDE 2023

Chris – Bored Man! Confessions of a Church Cyclist.

On a very hot September day, I took part in this year's Sussex Historic Churches Trust Ride & Stride event to raise some much needed funds for our church in Rusper, and also to support other churches within the county.

As a keen cyclist, my aim was to visit as many churches as my legs could cope with, and I had planned a route around Horsham and Crawley. Armed with a water bottle and some lunch, I set off from Rusper Church and rode all day. Little did I know what an inspiring day lay ahead of me, and how I was to witness God at work throughout my journey, and meeting the wonderful people carrying out His important mission and empowerment:-

St Margaret's, Ifield – Kevin the Churchwarden renovating a memorial bench.

St Peter's, West Green – watching Edward and his wife preparing the church for showing a film every fortnight as part of their Autumn Community Cinema.

Handcross Chapel – Rev'd Carl Smith and his team provide food for 25 families. They also offer refreshments every Saturday for the local community to meet for a cuppa and chat.

The benefice of St Mary's, Slaugham, and St Mark's, Staplefield – the angelic voice of a soprano soloist rehearsing with her accompanist on the piano.

St Andrew's, Nuthurst – a coffee morning with bric-a-brac stalls in the Vicarage.

Archdeacon Angela made me a cup of tea with a slice of cake, and Janey provided me with ice cubes to fill my water bottle, and donated £5 towards my ride.

St Peter's, Slinfold – a wedding taking place with a choir singing "Can You Feel the Love Tonight" I had to stay to join in singing the last hymn before the newlyweds left the church to go on to their reception.

St John's, Broadbridge Heath – the lovely grape vine growing at the entrance. I sampled the ripe black grapes to quench my thirst!

I visited fifteen churches in all, and raised a total of £285. Thank you to everyone who sponsored me. Perhaps you might like to consider joining me next year, or maybe taking part by walking or driving around local churches?

HOPE KEITH TRUST

Sadly, we no longer have an Age UK village agent but the search for a new Rusper village agent continues.

You will be pleased to know that the coffee morning previously organised by Age UK will continue for the time being, and we hope to see you on Tuesday, 14th November at 11am at The Star Inn for a cuppa and a chat.

RUSPER CHRONICLE

Trees in Rusper, and oak trees in particular

The news recently that an iconic sycamore tree well over 200 years old on Hadrian's Wall had been cut down by vandals in the night shocked many of us. How could someone do that? But the fact is that ancient trees are being cut down all the time, by city councils and property developers and householders. Here in Rusper we are so fortunate that we have a canopy of ancient oak trees, but we need to protect them. Many are hundreds of years old – a house of the same age would be listed! Not all can have protection orders but the Woodland Trust will list notable trees and flag them up on a map so we can all be aware of them.

Rusper Parish News

November 2023

At our October Chronicle meeting, Viv and George did just that and showed us photographs of some of our trees – particularly those around the Glebe Field threatened with development, and the football field. And gave us many fascinating facts about oak trees. Did you know that 2300 species of plant and animal life are dependent on trees, 326 are dependent on oaks and 229 are dependent only on oak trees; that the roots spread out the entire size of the canopy; and that the Magna Carta of 1215 is written in ink made from crushed oak apples – and is still as legible today as it was then.

Bricks are another interesting subject. Here in Rusper we had five brick works, not surprising with our clay soil. Brick Close was listed in 1842 – this was behind Mann's Farm. The same year Brick Burn Plat was listed, behind what is now Ghyll Manor. Faygate had two brickworks, one on Faygate Lane almost opposite Carylls Lea Farm, and the second one south of the railway. The coming of the railway in 1847 made the transport of bricks and other building supplies so much easier. And finally, there was the brick works at Lambs Green, the Rusper Clay Works Ltd, advertised from 1934 to 1955 and providing employment for many local people.

George is equally fascinated by bricks and talked us through all the various different bonds. English and Flemish Bonds were the two main bonds, though there were numerous fancy variations as George showed us.

It was a fascinating evening; with grateful thanks to George and Viv for so much information and presentation.

NEXT MEETING: Tuesday, 14th November, 7-9pm Rusper Village Hall. As this will be two days after Remembrance Sunday, we will look more closely at the lives of some of those who did return. All our meetings are very much for everyone to join in, we hope for personal contributions.

Margaret White

RUSPER VILLAGE HALL REFURBISHMENT

Work to overhaul the roof is due to be completed by the beginning of November after which new gutters and downpipes will be installed and the scaffolding taken down. Following this the car park to once again be available to hall users.

Plans are currently being drawn up for the next phase of work which will concentrate on the front of the building and include the remodelling of the toilet block to include a disabled toilet, wheelchair access via the front door and the refurbishment and fit out of the Hope Keith Room (the former snooker room). During this time access to the building will switch

to being via the car park at the rear of the building, and at some point, temporary toilets will be provided – details to follow in due course.

The Trustees and the Management Committee would like to thank all users of the hall for their understanding and cooperation during these works, particularly the Playgroup and Rusper School.
