

### Supplier Evaluation Summary

Rusper Parish Council UK4: Tender notice - Notice identifier: 2025/S 000-058456

This document summarises the weighted evaluation of supplier proposals based on compliance, value, specifications, experience, delivery, support, and sustainability.

Supplier	Score	Summary Comments
Supplier 1	2.65	Meets all mandatory requirements. Within budget but product is too simple for needs. Limited features; specification concerns. No references or evidence of timelines. Good sustainability info. Strong warranty and after-sales support.
Supplier 2	1.60	Meets must-have requirements. Within budget but offers poor value and simple product. Limited information on timelines, support, and sustainability. Overall weak proposal with missing key details.
<b>Supplier 3</b>	<b>4.00</b>	<b>Fully compliant and offers best value. Competitive pricing. Meets all specs and standards with high quality. Durable and safe for intended use. References provided. Comprehensive support and warranty. Evidence of environmental and ethical sourcing.</b>
Supplier 4	3.25	Meets must-haves and budget. Meets specifications, durable, and safe. Some concerns about wet pour area. References provided. Timescales unclear. Limited sustainability evidence.
Supplier 5	3.25	Compliant. Within budget but limited added value. Product meets requirements. References limited. After-sales included. Sustainability not well demonstrated.
Supplier 6	3.85	Strong overall proposal. Competitive pricing and meets all specs. Proven experience with councils. Comprehensive warranty and support. Moderate environmental commitment.
Supplier 7	3.70	Good proposal overall. Meets budget and quality needs. Meets all requirements. Experienced supplier. Good support. Sustainability info limited.
Supplier 8	3.70	Meets all essential criteria. Competitive pricing. Meets specs and standards. Experienced with councils. Warranty included. Limited environmental evidence.
Supplier 9	2.95	Meets must-haves but price significantly above budget. Poor value. Meets specs but expensive. Limited references. Warranty provided. ISO 14001 certified (strong environmental credentials).
