Why not visit the Rusper Church website and follow Nick on Facebook?
If a priest is required at short notice and Nick is unavailable, please contact the Churchwardens.

Rector	Revd Nick Flint	01293 871251
Authorised Lay	Mr Chris Pearce	01403 268047
Minister		
Churchwarden	Mr Stephen Busby	01293 871219
Churchwarden	Mrs Maggie True	01293 871722
Treasurer	Mrs Lorna Reeves	01293 871012

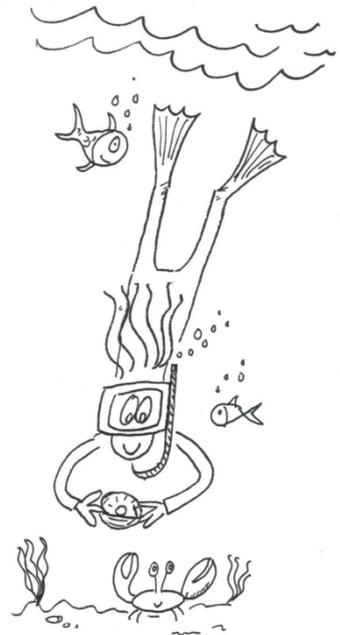

Nick is here to minister to all who have need in our parish. He is keen to be told if someone has moved in and to have an opportunity to visit newcomers. Holy Communion can be arranged for the housebound or those who are sick. Nick tries to take Friday as a rest day each week, so he kindly suggests that you only contact him on a Friday in matters of urgency

Information on services is updated monthly on: www.rusperchurch.org.uk

Obadiah the Oyster

Deep at the bottom of the ocean sat Obadiah the oyster. Like a little blob of jelly safe and comfortable in his little armour shell he could enjoy the comings and goings of the fish and other sea creatures who shared the watery world he called home. It was not what you might think an exciting life but Obadiah was content. Until one day all that changed. It was a silly little thing. A tiny grain from his sandy bed somehow got inside his shell. How irritating the hard little grain was. Almost invisible, but have you ever had sand in your shoe or your clothes rubbing against your skin? It can be difficult to find and shake out. Have you ever had an itch that you just couldn't reach to scratch? That was how Obadiah felt. But oysters don't have fingers to give themselves a good scratch. All he could do was keep slowly rubbing his body against the inside of his shell

Life for Obadiah became quite uncomfortable. Then one day there was a loud splosh from overhead and a flash of colour as a swimmer dived into the sea. Straight down to where Obadiah was sitting, she swam and picked him up. Then very gently and carefully she opened his shell and looked inside. What she saw inside his rough grey shell made her face light up with wonder. It was the most beautiful thing she had ever seen in her life; a gleaming precious pearl. It had been created from the grain of sand...

Giving Obadiah a grateful kiss she put him back where he belonged and swam away with the pearl in her hand. She was gone, but so Obadiah realised happily was his itch!

The girl took the pearl to a jeweller who gasped when he saw how beautifully it glowed. He promised to sell it for her and put it in the window of his shop where one day soon after it was seen by a collector of fine pearls. He had been searching all his life for a pearl such as this one and when saw it as like a dream come true. He asked the jeweller the price. A lot of money - but the collector decided to sell his house, his car and everything he had to own that pearl. © N Flint

RUSPER CHRONICLE

Some of you may remember Rusper Village Stores selling Rusper Tea. At our December meeting we discussed how this came about. It was produced and named by Frank Edgcumbe Rendle who had spent much of his childhood at Rusper Rectory with the Trevaskis family. His mother Eleanor Edgcumbe Rendle was the sister of Eva Trevaskis, the wife of Reverend Trevaskis. Eleanor (known as Nell) is buried in our churchyard alongside the Trevaskis family.

When Frank came back from India and Africa, after 20 years in the tea trade he couldn't find any tea to compare with the top tier tea he was used to, so he decided to blend his own and his first tea he named Rusper after his childhood memories of his time spent living at the Rectory with his aunt.

The Edgcumbe Rendle family were well known in London as glazing contractors.

In March 1922 newspaper reports tell us that The King was suffering from a cold and so The Queen attended in his Majesty's place and performed the opening ceremony of the new Waterloo Station. The glass roof of the new station was 1000 tons of glass, covering 560,000 square feet and 60 miles of glazing bars. It was constructed by William Edgcumbe Rendle and Company and was the biggest job they had yet undertaken.

Frank's family still produce and sell Rusper Tea at their Edge cafes in Arundel and Littlehampton.

ABRAHAM LINCOLN'S NEW YEAR MESSAGE

ABRAHAM LINCOLN'S NEW YEAR MESSAGE

You cannot bring about prosperity by discouraging
thrift.

You cannot strengthen the weak by weakening the
strong.

You cannot help the wage earner by pulling down the
wage payer.

You cannot further the brotherhood of man by
encouraging class hatred.

You cannot help the poor by destroying the rich.

You cannot keep out of trouble by spending more
than you earn.

You cannot build character and courage by taking
away a man's initiative and
independence.

You cannot help men permanently by doing for them
what they could and should do for themselves.

ARTECK

This is an entry from a Rusper Parish News from probably the 1960s (although actually from early 19th century)!

Maggie True

RUSPER CHURCH 200 CLUB

Thank you to all those people who continue responding to the request for new members. The Rusper Church 200 Club is one of the continuing forms of income to our lovely church during these challenging times. You can continue to help by joining the 200 Club or buying additional shares. All the details about the Rusper Church 200 Club including past winners, the Rules and an Application Form, are on the Church's web-site at www.rusperchurch.org.uk under "THE CHURCH IS YOU" tab. Just print off and complete the Application Form and then either e-mail it to me at johnmjory@gmail.com or send it to me at: Elsinoro, Horsham Road, Rusper, Horsham, RH12 4PR. Many thanks to all of you who have been regularly contributing to enable us to make a significant contribution towards the running costs of the Church over the past few years.

The result of the latest draw is:

	December 2024	January 2025

RUSPERELLA

Rusperella came alive, thanks to Louise and her drive,
A sparkling dream made true.

With glitter and flair, and magic in the air,
Pantoland came to Rusper for you!

The curtain rose high, with a wink to the eye,
“It’s behind you!” the crowd gave a roar.
The cast full of fright, on that first opening night,
But soon they were asking for more!

Your boos and your cheers chased away all our fears,
With a sprinkle of fairy dust too.
The villains were hissed, the heroes were kissed,
Even the dog joined the crew!

With songs to delight, and dances so bright,
And jokes that were groaners galore,
We gave it our all, at the Pavilion Ball,
For a weekend of fun to adore!

So from the Rusper Players, to our wonderful crowd, your laughter and
spirit made us so proud.
Thank you for cheering, for joining our quest, we hope you agree,
Panto’s the best!

With Love,

Prince Charming

RUSPER PARISH COUNCIL

Minutes of the combined Planning Committee and Parish Council Meeting on Tuesday 17th December 2024 at 7.00pm. This meeting was held at Rusper Village Hall.

Present: Cllrs M Cooke (Chair), G Hussey (Vice Chair), G Sallows, M Fenton, R Gatt, M Fillmore, Fenella Maitland-Smith, Simon White, D Matthews.

Also present: There were no members of the public.

Meeting commenced 1901hrs

Declarations of Interest

Cllr F Maitland-Smith declared that she was the Chair of the Save West of Ifield should a report on the Local Plan be made under Agenda item 6.

DC/24/1818 Westons House Wimland Road Rusper West Sussex RH12 4QU

It was RESOLVED no objection to the application as long as the annexe is kept as part of the main property and does not become a separate dwelling.

DC/24/1787 Winterfold Farm Wimland Road Rusper West Sussex RH12 4QU

It was RESOLVED to object to the application as it an over intensification of the site, the council questions the wastewater disposal is as it is so close to the water course and there is no description of how waste will be managed. The council would like to see a rural workers tie condition on the property.

HRA/24/0019 Jacaranda Whitehall Drive Ifield Crawley West Sussex RH11 0LP

It was RESOLVED to object to the application as the water is not defined as being sourced outside of the Arun Valley and has been reported as possibly being used by the mains water supply. The council would expect that a similar condition as for Quincefold in Horsham Road Rusper DC/21/2363 could be applied to avoid an adverse impact on the Arun Valley.

Planning Appeal APP/Z3825/W/24/3341965 - Description of Application: Prior Notification for Change of Use of Agricultural Building to no 5 dwellinghouses. Site at: Stumbleholme Farm Rusper Road Ifield West Sussex RH11 0LQ. It was RESOLVED to apply the objection made to DC/24/0036 to be copied to the planning inspector.

Water Neutrality Question - The response to correspondence to HDC regarding water neutrality was **considered** and **accepted**. The council were grateful for the answers provided but since the halting of the Local Plan Regulation 19 the issue of water neutrality has now become confused. The inspector criticised HDC handling of water neutrality and there was only reference made to SNOWS rather than approving other opportunities that were not part of the SNOWS scheme. Therefore, projects that are providing alternatives such as bore holes have been rejected as it does not fall as part of the SNOWS scheme. The issue that has not been adequately answered is the accumulative effect of people using lots of boreholes. It was **agreed** that Cllr F Maitland-Smith will write a further response to the water neutrality answer to be issued back to HDC by the Clerk.

Rusper Sports Club Management - An email update was emailed to councillors prior to the meeting. It was proposed to make the sports club a CIO charity. The committee have been given the new proposal and are considering it. The next committee meeting is being held in the new year. All comments from the draft to be issued to Cllr Fillmore. Carry item to the next meeting.

Gatwick - The Gatwick report movements report was **noted** and is on the website. Cllr M Fillmore received a report on night flight restrictions which is currently being reviewed. Noise Management Board of Gatwick airport as a representative Cllr Fillmore gave feedback.

Fingerposts

The Clerk noted that the fingerpost report and maintenance charges have been received. Item carried to next meeting.

227-24 Speed Watch 20mph

The 20mph TRO was discussed and a meeting has been arranged with WSCC Highways.

It was **considered** to place 2 new solar powered SID (Speed Indication Devices) in two of the licenced locations to provide traffic information for the speed watch campaign and to slow traffic down.

It was **considered** that the two locations to place the new SID would be Gardeners Green and Ghyll Manor and to leave the battery sign in Lambs Green. The council will make a recommendation at the next meeting. Carry to next meeting.

Representatives

Police meeting – Cllr G Hussey attended a focus group with parish councils. Shoplifting was mentioned as police now only attend cases which involve violence, Horsham has the highest risk for shoplifting. The PCSO has to wait for calls to come via a 101 report before she can attend, the meeting was made aware of this. The police will increase their precept by 3%.

Playground – roof of the chatroom is being repaired and so far there has been one quote back for new play equipment.

Financial - It was **resolved** to **approve** the reports as attached - Reconciliation, Budget and Unity Bank transactions for November. The finance appointed councillor signed the reconciliation, Chair signed the bank statements.

The council **considered** 3 tree survey quotations. All quotations were of a similar price and all companies were local to the parish. It was **proposed** to use Gale Trees to survey the trees on this occasion. It was unanimously **agreed**. It was **resolved** to appoint Gale Trees as the preferred supplier for the tree quotation.

The council **noted** the updated UMS certificate and the energy supplier quote from Clear Utilities. It was discussed that the quotation did not have a standing charge, but the Kwh was slightly higher. The Clerk explained that not many companies were offering a UMS contract and the SSE contract ends on 31st March 2025. The council **agreed** to search for a new provider during February for the March meeting. Clerk to go back to Clerk Utilities. Item carried to February 2025.

The council **considered** the streetlights maintenance contract. It was **agreed** that the lights in Cooks Meadow were new LED and would need

little maintenance and Cooks Mead would need upgrading to LED. The Clerk advised council that a new LED top was around £370 plus VAT per light. It was **agreed** unanimously to not to go ahead with the maintenance contract but to add the streetlights upgrade to the parish action plan.

Annual Litter Pick

It was **agreed** to be held on Sunday 6th April 2024. Clerk to contact HDC to book in the pickers and bags.

Matters Arising

It was **agreed** to add bus shelters to the next agenda as a separate item.

EXCLUSION OF PRESS AND PUBLIC In accordance with the Public Bodies (Admission to Meetings) Act 1960, the Council have the right to exclude the public and press from a meeting in respect of confidential or sensitive information which is prejudicial to the public interest and may pass a resolution, without notice, to do so.

233-24 Award Contracts

Cllr Maitland-Smith left the meeting at 2102hrs to attend a prior arrangement.

The Clerk received 3 tender quotes for council consideration following the advertisement of the contract which was closed on 16th December 2024. The grass cutting contract is for a 3-year period as advertised. A report was issued prior to the meeting and displayed on the projector. The council considered each contract, looked at costs against projected budget and discussed each contract. It was **proposed** to appoint supplier C for the next 3 seasons. A vote was taken, and it was unanimously approved.

It was **RESOLVED** to appoint supplier C for the grass cutting tender. Clerk to issue letters to all 3 tender applicants as all three had offered a good range of options for council to consider.

Next meeting is the planning committee meeting on 21st January 2025.

Meeting closed 2109hrs

Parish Council Clerk

\SAVE WEST OF IFIELD CAMPAIGN

Most people will be aware that after only three days of his Examination hearings the Planning cancelled the remaining hearings because of his “significant concerns about the soundness and legal compliance of the plan in respect of a number of areas”. At the time of writing this, we were waiting to see his letter setting out the detail of his concerns, and the likely next steps. See: [Inspectors Hearings Holding Letter](#)

So what had happened at the hearings?

1. SWOI had spoken on two of the three days of hearings on the following matters:
 - a. **HDC’s inadequate community involvement** – many residents considered that HDC’s Regulation 19 consultation process was inaccessible and non-inclusive, particularly due to digital exclusion. See [SWOI-Examination-verbal-statement-Community-Involvement](#)
 - b. **HDC’s inadequate Sustainability Appraisal** – the scoring and appraisal of the housing sites was not sound due to a lack of underlying data and insufficient consideration of possible adverse effects. See [SWOI-Examination-verbal-statement-Sustainability Appraisal](#), and
 - c. **HDC’s inadequate spatial strategy** – Crawley not recognised in their ‘settlement hierarchy’ and unclear what WOI is in spatial terms - just an allocation without any real connection to Crawley – and not a new town, or a new settlement. See: [Save West of Ifield 1191263](#)
2. HDC subsequently wrote to the Inspector urging him to “reconsider his position and to contemplate reopening the examination hearings in the new year”. HDC suggested that “there is no reason why the examination should not consider whether it is expedient to add further sites to deliver housing to meet its need”. In other words, HDC would like time

to add more sites into the Plan. See: [HDC Local Plan Examination Hearing Letter](#)

What can we say about the implications for WOI?

Not much at this stage. The Inspector's main job is to make sure the Plan delivers new houses in line with Government targets, plus additional housing for the unmet need of neighbouring councils, unless there are exceptional reasons not to, and he may judge that the water neutrality policies are not sound in this respect. On the one hand this could increase the pressure to keep WOI in the Plan. But on the other hand:

- a. There are several other large sites which can provide their own water on-site and the developers and lawyers for these sites are fighting hard to get their sites into the Plan,
- b. The Inspector has already expressed his concern that the effects of WOI on Crawley have not been considered – which of course is compounded by CBC's strong opposition to WOI. This could be enough to require WOI's removal from the Plan, and
- c. WOI is recognised as a site with a lot of issues which will be expensive to mitigate – transport, water supply, sewage treatment, Ifield Golf Course, and biodiversity. And Homes England are starting to show their concern about viability – pushing back against providing 40% affordable housing and against adequate mitigation for the loss of IGC. So WOI is looking like a much less sound site compared with some of these others of a similar size.

We of course continue to monitor the situation and plan accordingly. And we'll keep supporters informed.

Thank you for your ongoing support, and if you are able please consider making a donation to the campaign – see website for details.
