Heaven here and there

'In my father's house are many rooms' promised Jesus to his frightened followers before his death, Resurrection and Ascension. It is a promise which 'God's House' as encountered in church buildings finds expression – a place of welcome.

Christianity has never been a purely other-worldly faith. The Church has asked how can we transform where we live or where we work by seeing them through God's eyes. When we stand on the holy ground of our own village church, the light falling on us sometimes gloriously gold or red through the stained glass depicting Gospel scenes where will we be taken in heart and mind?

What we try to do in having a church building at all is create a space the shape and furniture and activity all of which speak of the one who has inhabited our human life lived from deep inside us has just stepped out of sight long enough so as not to cramp our style.

The short season of Ascensiontide crowns Easter and celebrates Jesus being set free from all that confines, from the stable to the upper room, to the tomb he ascends to the heavenly sanctuary. Neither is his heavenward journey a lonely goodbye for he takes us as part of him. 'There are many rooms' he says 'and I am going to prepare a place for you'

RUSPER CHRONICLE

VE Day

At the April meeting we looked back at VE Day, May 8th 1945, which celebrated the end of the second world war in Europe. We looked through a wealth of material.

We also examined newspapers and material from the first VE Day (which was just called Victory Day or Armistice Day) that celebrated the end of the first world war on 11th November 1918. This included a special edition of **Berliner Tageblatt** the German newspaper that announced the news to the German people.

The next meeting, on Tuesday 13th May, will be in the churchyard where will be looking at war graves.

Also everyone is welcome along to the sports field in the High Street, opposite Ghyll Manor, for the lighting of the **Rusper Beacon** to celebrate the 80th anniversary of VE Day on **Thursday 8th May 2025**. There will be a quiz in the Plough and Attic Rooms at 7pm followed by light refreshments at the Sports Club when the beacon is lit at 9.30pm to link up with other beacons across the country. The views from the sports field at sunset are worth the visit, with the added hope of seeing other distant beacons.

VE DAY CELEBRATIONS IN RUSPER

Join us in commemorating VE Day on Thursday, 8th May! The highlight of our celebrations will be the traditional lighting of the beacon at 9:30 PM on the sports field—a moving tribute to mark this historic occasion.

To get everyone in the spirit beforehand, there will be a lively quiz at The Plough starting at 7:30 PM. While some questions will touch on wartime history, expect a wide variety to keep things fun and engaging.

All proceeds from the quiz will go towards supporting Rusper Sports Club. We'd love to see as many of you as possible there—let's make it a night to remember!

Rusper Parish Council

VOCATION DAY - 10th/11th MAY 2025

Saturday 10th May is dedicated by Chichester diocese to thinking about what God is calling us to do in the service of His church, particularly for those considering Ordained ministry in the Church of England. You may have already taken steps along this route, or may never have thought of it - until now. Bishop Ruth and Rev'd Giles Carpenter (Director of Vocations), will be present at St. Mary's Church, The Causeway, Horsham, to answer any questions for those considering exploring their Christian faith further.

On Sunday 11th May I will be delivering an address within the 11am service at St. Mary Magdalene Church, Rusper, describing my role as an Authorised Lay Minister (ALM). There are many roles needed to fulfil the daily running of a church, and our vicar, Rev'd. Nick Flint, has overall responsibility for Rusper parish. We are looking to fill some vacancies within the church, and would like to invite you to this service if you feel that you have a skill which would be of benefit to the running of our church. What is God calling YOU to do?

We look forward to welcoming you to our special service.

Chris Pearce, Pastoral ALM

RUSPER PARISH COUNCIL

Minutes of the Parish Council Meeting on Tuesday 25th March 2025 at 7.00pm. This meeting was held at Rusper Village Hall.

Open Forum (MOP - member of public)

- MOP representing CAGNE – application for funding and was available for questions.
- MOP offered the parish council a donation to commemorate Liz Kitchen with a park bench with a plaque on it. The councillors thanked the MOP and agreed to add the item to the next meeting for consideration.
- District Councillor - noted that 9th May 2025 at 12 noon is the date for Liz Kitchens memorial service at St Mary Magdelene, Rusper. Do come early as there will be a large attendance.

Reports from other Authorities

District Councillor Tony Hogben –

Devolution - the proposal is to have a unitary authority for West Sussex. Horsham Council have submitted a report. A Director, and data analyst have been hired to put together a costed proposal and to identify where any savings can be made.

Liz Kitchen's memorial service is 9th May at 12 noon St Mary Magdalene, Rusper. Attendees advised to be early.

Colgate and Rusper Byelection - the election is on 17th April.

Horsham District Council – constitutional changes. The Liberal Democrat leadership is planning on having one planning committee for the entire District; by training DC's and employing highly trained officers to consider planning applications. The Policy Advisory Groups are being scrapped.

Gatwick

It was resolved to note the Gatwick report. (On website)

CAGNE have asked council to consider making a donation towards legal costs. Carried to May meeting.

Devine Homes

The council considered the proposed highway changes as part of a proposed planning application along East Street. Noted this is part of HDC's Local Plan (Regulation 19) which is currently on hold. The Clerk

reminded councillors that this was not a planning application, and councillors should consider a response that would not inhibit their comments as the Parish Council are a statutory consultee for all planning applications in the parish. It was RESOLVED that the response is 'with no pedestrian access on both sides of the road the development is not a viable option'.

Annual Parish Meeting.

The Council considered guest speakers for the APM on 29th May 2025. Noted that the Clerk and Chair would provide refreshments during the evening. It was agreed that table presentations would be set out for the public to look around and ask questions.

Rusper Sports Club

The Sports Club AGM is on 7th April. The underlease is written and will be approved by the club on that date. It was agreed that the Clerk would then ask permission from the landowner as per the clauses on the lease and then take it to Surrey Hills Solicitor for their review. After this it will be brought back to council to adoption and then issued back to the Sports Club. Carry to next meeting.

Fingerposts

A report covering the quotations and the assessments of repairs needed was accepted by council.

WSCC Highways - TRO application – 20mph zone

Cllr S White has concerns that the speed monitor unit by Ghyll Manor is pointing down Capel Road and picking up false information. It was proposed to move the sign to a new licenced spot.

Rusper Gatwick Noise Monitoring Terminal

An email requesting that the parish council find a new location for the Rusper Noise Monitoring Terminal was received. Noted that there is a specific zone in yellow on the map where it can be placed. There is a meeting being arranged, and therefore council agreed to carry this item to the next meeting for an update.

Playground Safety Report

It was **resolved** to **accept** the playground report to carry to the next meeting.

Tree Survey

It was **resolved** to **accept** the professional tree survey and to it was **agreed** to consider urgent maintenance requirements at the next meeting.

Parish Litter Pick – 6th April 2025

It was noted that the Clerk has arranged to use HDC equipment for the annual litter pick, Cllr

Maitland-Smith to collect the equipment.

80th VE Day 8th May 2025 and May Day Road Closure

It was **agreed** to hold a beacon lighting event at 9pm for a 9.30pm light up, refreshments of tea and coffee will be provided. It was noted that Cllr White will organise a fund raising event for the Sports Club the same evening and then invite attendees along to the event afterwards.

Financial

It was **resolved** to **approve** the reports as attached - Reconciliation, Budget, EMR and Unity Bank transactions for January. The Chair signed the bank statements and reconciliation.

It was **noted** that the Clerk had successfully applied for the May Day road closure on 5th May 2025.

Planning Committee did not meet due to a lack of planning applications to consider.

SAVE WEST OF IFIELD CAMPAIGN

Homes England have announced a public exhibition on Wednesday 30th April “to provide an update to the public on the latest proposals for the sustainable new neighbourhood at West of Ifield, ahead of the submission of a planning application.” The application will be for 3,000 houses.

The exhibition will take place on 30th April from 2pm – 7pm at the Gurjar Hindu Union - Apple Tree Centre, Ifield Avenue, Crawley RH11 0AF. <https://westofifield.commonplace.is/en-GB/news>

This drop-in session is an opportunity for all of us to understand their plans, and to ask questions. Save West of Ifield has produced a list of questions here: <https://www.savewestofifield.co.uk/>, including:

- Previous traffic modelling has been inadequate in not assessing the impact of the full 3,000 houses, or the impact on the roads around and through Rusper village. Have these failings been addressed?
- How is Homes England solving the problem of Crawley’s sewage treatment works being very close to capacity and unable to deal with the number of houses West of Ifield, combined with Thames Water’s dire financial situation?
- Have Homes England’s exploratory boreholes revealed enough good quality water in the aquifers under the site? What is the Environment Agency’s view on whether its extraction is sustainable?
- Given the Government’s house-building targets, what is Homes England’s current view on the larger 10,000 house “opportunity” between Horsham and Crawley?
- Does Homes England intend to submit a planning application regardless of whether the Horsham draft Local Plan is approved or not?

Other dates for your diary :

5th May – come and see us at the May Fayres in Rusper and Ifield.

24th May – we hope to organise activities for “Bats and newts day” <https://www.communityplanningalliance.org/latest-news.html>

29th May – come and talk to us at Rusper Parish Council’s annual parish meeting.

Thank you for your ongoing support, and if you are able please consider making a donation to the campaign – see website for details.
