From Sinners to Winners

I have been considered a philistine by many over the years because of my seeming lack of interest in any form of sport, yet I am aware of the passions it can inspire. The sense of identity and belonging which it can express are qualities which I share and admire.

Sport is part of the fabric of our culture and society and as I am reflecting, the news headlines are full of opinions regarding Gary Lineker's comments. Finding myself on the side-lines the knee jerk reactions do seem to be a commentary on the impact of government policies on our way of life.

Often, I hear opinions with which I do not agree but I seek to listen respectfully to those who hold them, aware that I do not always have the full facts of the case or expertise at my disposal. Where it is possible to gently suggest an alternative point of view, I do like to look for balance. Humour is a tool which I think serves well in such circumstances.

I was amused then at the compromise of broadcasting football without commentary. It reminded me of the story that the first horse races on the wireless consisted merely of the sound of hooves on the turf!

Holy Week begins with a spectacle of Jesus on a donkey. He offers no explanation or commentary of his own, but the act is seen as politically charged and subversive. As Holy Week unfolds CANCEL HIM! CRUCIFY HIM!! becomes the cry of a manipulated crowd. Through the Easter journey the disciples are brought to see through events how Jesus, the Son of David is vindicated against the blustering philistines in every age.

Check Website and Church Facebook for news and updates. Email Nick if you would like to receive the weekly update.

RUSPER CHRONICLE

“One of the most daring daylight raids of World War Two”.

On the 30th January 1943, two forces of Mosquito bombers were detailed to attack Berlin, one in the morning and the other during the afternoon, to disrupt celebrations in Berlin and a speech by Goering. Three mosquito planes set off from RAF Marham at 08.45 under low cloud. The pilot of the third plane was Anthony Wickham, a young man from Rusper. For his part in the raid Anthony was awarded the Distinguished Flying Cross. The Citation in the London Gazette speaks of the calm courage, resolution and endurance displayed by the officers and airmen taking part in the raid. All returned safely.

In February 1944 Anthony took part in another legendary Mosquito raid, Operation Jericho. Now a Flight Lieutenant and attached to the RAF's Film Production Team, the raid was filmed from his plane, with the commentator saying that as the aircraft flew over the target the pilot could see men running through a large hole where the wall had been breached and inside the prison he could see many others in brown dungarees running for the hole in the wall. The pilot/commentator was Anthony Wickham and the film was shown on Pathe News. He returned safely from the raid.

His story does not have a happy ending however. Less than four months later in June 1944 Anthony Wickham was killed coming into land after a routine training flight when one of his Mosquito's two engines failed and the plane crashes just beyond the airfield.

Anthony came to live at Averys, Rusper, when he was ten years old. He loved fast cars -and noisy ones as at the age of 20 he was fined ten shillings for driving a car with an inefficient silencer. Just before the war he was farming at Kingscote, near Tetbury Gloucestershire, but was quick to join the RAF Volunteer Reserve and was gazetted Leading Aircraftsman in 1941, initially flying Spitfires before transferring to Mosquitoes, amazing small two seater planes made of wood and fabric and nicknamed “Wooden Wonders”.

Anthony's mother lived at Averys till her death in 1959. Anthony is buried in Rusper Churchyard with a War Graves stone next to his father, Colonel Wickham, who died in 1927. The grave is the closest it can be to the then boundary of Averys, with a small gate from Averys garden into the churchyard. Mrs Wickham must have visited the grave many times. His name is on our War Memorial and also on the memorial at Kingscote, Gloucestershire.

Anthony's story was the focus of our March Chronicle meeting, researched and written by James White and presented and read by George Sallows. It was a fitting tribute to a very brave young man. He was thirty one years old.

Margaret White

OUR NEXT MEETING will be on Tuesday 11th April, 7-9 pm in Rusper Village Hall when amongst other topics we shall finally get to grips with Rusper dinosaur bones!

RUSPER PARISH COUNCIL

Summary of Rusper Parish Council meeting & Planning Committee meeting – February 2023

The full Minutes of these and all other meetings are available to view on the Rusper Parish Council web site rusper-pc.org.uk/meetings. These Minutes are draft and subject to change until they have been confirmed at our next meeting.

To get regular updates from us, including local roadwork notifications, please visit our website and subscribe: www.rusper-pc.org.uk.

Agreed responses to the following planning applications

DC/23/0244 New Barn Farmhouse, Office Capel Road Rusper West Sussex RH12 4PZ.

Prior Notification for partial Change of Use of existing barn to residential (Use Class C3) to form 3no. dwellings.

It was RESOLVED to comment on this application as follows: Rusper Parish Council objects to this application. RPC has responded before with serious concerns about the over development of this site and nearby sites in a non-sustainable location far from local amenities and with no public transport on a narrow country lane. We would suspect the objections that led to the refusal of DC/20/1315 to apply equally to this application. We are also concerned that having just receive permission as an equine business they are now saying that the usage is no longer applicable.

DISC/23/0021 The Owl Barn The Mount Ifield Crawley West Sussex RH11 0LF. Approval of Details Reserved by Condition 2c for the approval of application DC/21/1274

It was RESOLVED to comment on this application as follows: Rusper Parish Council has no objection to this application and we will leave the decision to the Environmental Officer.

DC/23/0115 Furlong Farm Rusper Road Ifield West Sussex RH11 0LN.
Change of use of land for use as storage for scaffolding equipment
(Retrospective).

It was RESOLVED to comment on this application as follows: Rusper Parish Council have no further comments but concur with the statements from Environmental Health, re: storage only, limited hours and no lighting.

DC/23/0114 Ghyll Manor Hotel High Street Rusper Horsham West Sussex RH12 4PX.

Replacement of front boundary wall. Demolition of conservatory and erection of single storey front, side, and rear extensions to the main building.

It was RESOLVED to comment on this application as follows: Rusper Parish Council has no objection to this application and would welcome the re-establishment of this important employment, hotel and venue for the village. We do have concerns about external lighting and would expect all external lighting would be low level and conform to the NP dark skies policy.

DC/23/0085 Coomers Farm Wimland Road Faygate West Sussex RH12 4SR.

Demolition of agricultural work-shop and erection of a detached single storey dwelling.

Noted one email of support prior to the meeting from a resident.

It was RESOLVED to comment on this application as follows: Rusper Parish Council has no objection to this application provided previous conditions are maintained.

DC/23/0069 Former Longfield House East Street Rusper West Sussex. (Erection of two detached dwellings and garages (to the rear of the site) and revisions to approved dwelling (permitted under DC/12/0353 dated 16/04/2012)

It was RESOLVED to comment on this application as follows: Rusper Parish Council objects to this application the comments for the original application DC/14/0413 still apply and the proposed increase in size will increase the impact.

DISC/23/0047 Winterfold Farm Wimland Road Rusper West Sussex RH12 4QU.

Approval of details reserved by condition 3, 4, 5, 7 and 8 to approve application DC/20/0937.

It was RESOLVED to comment on this application as follows: Rusper Parish Council has no objection to this application.

Next planning meeting is 21st March 2023 at Rusper Village Hall. The Full Council Meeting took place on the 28th February 2023 at Rusper Village Hall.

SAVE WEST OF IFIELD CAMPAIGN

You may have seen Homes England's recent report of their consultation in October/November last year. You can read the report here:

Consultation Summary and Feedback Report.pdf

SWOI is very concerned that the report does not fairly represent the balance of positive to negative comments made during the consultation. Our analysis of the published responses suggests that around 90% of comments were strongly negative – but this is not even hinted at in the report and instead the few positive comments are cherry-picked and presented prominently above any others. In other words, the fact that the written and verbal responses were overwhelmingly negative is ignored. This is misleading and disappointing from a government agency. It doesn't inspire confidence that any development promoted by Homes England will take account of local community views, let alone benefit existing residents.

Please look out for:

- SWOI leaflets dropping onto your doormat. If you can help with leaflet delivery, do please get in touch.
- SWOI placards – if you're able to put a placard or posters in your front garden, on your car, etc. please get in touch.
- SWOI Quiz at The Plough, Rusper – 29th March at 8pm, but food and drink of course available before then. Please call The Plough to book a table – 871215.
- SWOI is grateful to be on the agenda for the Annual Parish Meeting – 7.30 on Thursday 20th April – organised by Rusper Parish Council. Please come and to learn more about the West of Ifield proposals, and how we can all challenge them.

For more information on any of the above please see our website, Facebook, or email me at Fenella.ms@gmail.com.
